Baripada Municipality***

Criteria for Evaluation of Technical Proposals

Evaluation of proposals shall be made by the Tender Committee. In the first stage, the Technical Proposal will be evaluated on the basis of bidder's fulfilment of eligibility criteria. Based on the eligibility criteria, only those bidders whose Technical Proposal becomes responsive, shall qualify for further detail technical evaluation and presentation. The award of marks based on the following criteria will be given:

Sl. No.	Evaluation Parameters	Total Mark	Criteria for award of Mark			
1	Years of Experience (under single or multiple contracts) on similar nature of work in any Govt/Municipal corporation or Council/ PSU/ULBs (to be determined from work order / contract copies/Experience Certificate)	15	<ul style="list-style-type: none"> • 3 - 5 Years : 8 marks • 5 - 10 Years : 10 marks • > 10 Years :15 marks 			
2	Population covered under SWM activity in ULB/PSU under single or multiple contracts in the same period. (to be determined from work order / contract copies/Experience Certificate)	10	Years	>3 to < 5years	>5 to <10years	>10 years
			Population			
			< 1,00,000	3	6	8
	>1,00,000to <1,50,000	6	8	10		
3	Experience in handling quantity of waste (ton per day) in Municipalities/ ULBs/PSUs in single/combined workorders (To be determined from Workorder/ experience certificates Only)	10	<ul style="list-style-type: none"> • $\geq 25 < 50$: 3marks • $\geq 50 < 75$: 5marks • ≥ 75 :10marks 			
4	Annual Average Turnover 2021-22, 2022-23 & 2023-24	15	<ul style="list-style-type: none"> • 10 < 12Crore 7 marks • 12 < 15Crore 10 Marks • >15 Crore: 15 Marks 			
5	Net Worth Certificate	5	<ul style="list-style-type: none"> • 2 < 3Crore 2 marks • >3 crore 5 Marks 			
6	Solvency Certificate	10	<ul style="list-style-type: none"> • 2 < 3crore: 5 marks • >3 crore : 10 Marks 			
7	Current strength of employees/workers (to be determined from payment confirmation slip of EPF & ESI for 3 months)	10	<ul style="list-style-type: none"> • $\geq 300 < 500$ persons :5marks • $\geq 500 < 800$ persons :7marks • >800 persons : 10marks 			
8	Valid ISO Certification	5	<ul style="list-style-type: none"> • ISO9001 1 mark • ISO14001 2 mark • ISO45001 2 mark • All of three 5mark 			
9	Work Plan Presentation	20	<ul style="list-style-type: none"> • Presentation of the work plan through PPT not more than 10-15 minutes 			
	TOTAL	100				

NB.: Financial proposal shall be opened after the technical evaluation is completed and only those bidders who score at least 70 marks out of 100 marks in technical evaluation shall qualify for financial bid opening.

Important point for Bidders

1. Bidders are requested to go through the detailed field study before participating the tender.
2. Any conditional price bid shall be rejected out rightly.
3. Bidder should have to submit item-wise expenditure details as per the scope of work otherwise the price bid shall be rejected.
4. For providing smooth sanitation services, the Tender Committee has decided that, each bidder must quote their service charges which must not be less than 5% of the total quoted cost, unless their bid shall be rejected.
5. The bidder must quote his rate upto two digits after decimal.
6. In the financial bid, the bidder with the lowest quoted price shall be awarded the contract. However, in the case two bidders quote the same lowest price, the bidder having highest marks in the technical bid and their past performance.
7. Preference shall be given to the bidder having Labour License in Baripada town.

SCOPE OF WORK

Detailed description:

The objective of this contract is to ensure an efficient and effective Solid Waste Management within Baripada Municipal area in accordance with Solid Waste Management Rule – 2016.

The scope shall comprise of, but not limited to, the following broad components within the service area for existing customers as well as future customers as a result of new development & growth

1. Deployment of resources (Vehicles, labourers etc) as per field requirements and complying to the design standards
2. MSW collection, segregation and transportation.
3. Collection, cleaning and transportation of solid waste, four trips in each Tractor every day.
4. In commercial places the road shall be cleaned twice in every day.
5. Sweeping of roads, cleaning of drains & Bush Cutting in both sides of roads, Door to Door Collection of Waste in a segregated manner (Wet & Dry Waste) and transportation of Municipal Solid Waste Separately Wet & Dry Waste including other waste in accordance with Municipal Solid Waste Management Rule 2016 to the identified Micro Composting Centre (MCC) / MRFC/ Disposal Centers located at different places within Municipality area.

1. Deployment of Resources

The scope of work under this item shall include

- The Agency shall deploy adequate number of sanitation equipment, vehicles, Tools & Tackles, workshops, manpower (labourers, drivers, helpers, supervisors and managers),
- The hardware deployed should be maintained properly including stocking adequate inventory & spares and should be replaced immediately by the Agency based on requirement for continuance of hassle-free service in the most efficient manner.
- All deployment has to be justified through proper calculations based on the field requirement, and shall be consulted with the Municipality Authority. Consultation or approval by the Municipality Authority does not exempt the service provider from his responsibility to achieve the required service performance standards and desired outputs. The deployment can subsequently be increased during operation to achieve the desired output.

- The tenderer shall deploy additional manpower and materials for special occasion like Rathayatra and other fair & festival and shall be reimbursed as per actual payment.
- The bins which will be provided by Municipality are to be placed properly, so that they are accessible to the users, easy to operate, easy to transport, not exposed to atmosphere, aesthetically acceptable and user friendly.
- The damaged hardware other than bins shall have to be repaired /replaced immediately by the Agency's own cost.

2. Collection, Cleaning and Transportation of solid waste.

The scope of work under this item shall include

- **Door to Door** (House to House) collection of Municipal Solid Waste in a segregated manner (Dry & Wet) from all residential areas including commercial/office units within the residential area, small apartments in the service area, through tricycles/ Light Commercial vehicles/Battery Operated Vehicles and the collected MSW shall be transported to the different MCC/MRFC/ Designated Disposal Centre at Raghunathpur, W.N-22 accordingly in a segregated manner.
- Wastes generated from Road sweeping & Drain cleaning shall have to be collected separately (Wet & Dry) for transportation to the MCC/MRFC/Dumping Yard on daily basis.
- The trolley of the transportation vehicles should be covered with net so that loaded garbage does not fall in the street and not create a nuisance.
- Door to Door collection of MSW is to be carried out on daily basis through tricycle, LCVs, BOVs at pre-informed time & schedule by utilizing bell or musical alert as per the recommendation of Municipal Solid Waste Management & Handling Rules, 2016. A time schedule with route chart to be prepared consultant with Municipal Authority.
- Biodegradable and non-biodegradable solid waste should be separately collected and transported to the place as mentioned above.
- Daily house to house collection of MSW from residential areas will be carried out generally in first shift, but it can be spread in two shifts, if required.
- The services of all house to house collection and transportation of waste shall be provided on all days of the week, irrespective of any National Holidays, Festivals or local holidays.
- Collection and transportation of all types of MSW shall be made by means of Wheel Barrow, Tricycle, LCV, BOV & Tractors regularly.
- The CD waste & other waste like dead animal will be collected and Transported to the land fill side/C&D Waste Plant.
- Extra labour as required should be kept reserved to fill up the weekly leave reserve of the sanitation labour. In no cases the daily sanitation labourers assigned for supply should not be less as per requirement.

(A)The detail of sanitation labour required for road sweeping, door to door collection, bush cutting & drain cleaning.

(The payment to all labour shall be paid @ unskilled wages basis which shall be increased time to time as per labour guideline of the Government. The escalation amount raised therefore will be bearded by the office on production of bill by the Agency)

- The details of Vehicles required for transportation of C & D Waste, Dead Animals & Other Waste of MSW (Door to Door Collection, Road Sweeping, Drain Cleaning & Bush Cutting) to MCC/MRFC /Dumping Yard site within Municipal area are given below.

Sl No	Type of vehicle	Quantity	Remarks
1	Tractor	12	To be supplied by the selected Agency with Driver with fuel.
2	Wheel Barrow	90	To be supplied by the selected Agency in good condition.
3	Tricycle	28	To be supplied by the Municipality on hire basis.
4	LCV	30	To be supplied by the Municipality on hire basis.
5	BOV	7	To be supplied by the Municipality on hire basis.

- In case of any special occasion & emergent nature of the cleaning work must be carried out by existing sanitation labour.
- Necessary minor repairing work up to Rs.500/- of the Vehicle/Tricycle/Wheel barrow/other sanitary equipment supplied by the Municipality will be taken by the selected Tenderer of written intimation.
- The hire charges of each Tricycle, LCV, BOV supplied by the Municipality will be deducted from the monthly bill of the selected Tenderer, on the basis of cost of the vehicle and rate of depreciation. For example Total value of the vehicle/longevity seven years/Month/Day.
- If other sanitary equipment will be supplied by the Municipality than the proportionate cost will be deducted from the monthly bill of the selected Tenderer.
- As and when required if office JCB will be utilized in sanitation work the hire charges @Rs.1000/- per hour will be deducted from the successful bidders monthly bill. The successful bidder authorized person will have to sign the logbook in token of acceptance of utilization.
- The fuel cost of LCV will be borne by the Agency as per requirement.

3. Collection, cleaning and transportation of solid waste.

The scope of work under this item shall include

- Sweeping of all main roads, narrow roads, lanes and by-lanes within the Municipality area (26 wards) shall be taken up manually or mechanically.
- Street sweeping and collection from all type of roads on daily basis within the Municipality area (26 wards) as mentioned above.
- In case of road is totally closed for renovation/ reconstruction or lying utilities etc the work shall be carried out by parking the vehicles (auto rickshaw/tricycle/truck) at the nearest accessible place and carrying MSW by handcarts up-to the point and back. The service provider shall immediately convey the situation to the Nodal Officer, Municipality Authority in writing.
- The cleaning of all the drains (including de-silting), conservancy should be done on daily basis and bush cutting, weeds & other activities pertaining to sanitation within the service area once every week.
- Solid Wastes generated by sweeping, drain cleaning (excluding silts), conservancy cleaning, bush cutting, de-weeding, and other sanitation activities are to be transferred to the MCC/MRFC/Designated landfill/ Dumping site in a safe and covered container on daily basis.

- The MSW (Wet & Dry) will be transported separately to the MCC or MRF as required under SWM rule.
- Waste generated from drain de-silting (mud & sand) should not be mixed with MSW and shall have to be transported separately. On instruction from the Municipality Authority, these wastes have to be transferred to land fill site identified by the Municipality within the service area.
- Dead animals and carcasses shall be lifted in safe manner and transported as directed by Municipality Authority.
- On deposit of user's fee at Municipality the Construction and Demolition waste to be lifted from the site and transported and disposed of at C&D waste site at Raghunathpur.

4. Service Delivery Compliance

- The clearing schedule of the Waste should ensure that MSW is cleared at least once in 24 hours.
- The Agency will ensure that the area around the Municipality is kept clean at all the times.
- The MSW shall not be disposed off/dumped/ Disposal of waste in any area other than specified Place such as MCC/MRFC/Dumping Yard will be termed as deficiency of service and such repeated acts may lead to termination of contract.
- Ensure safe transportation of the collected Municipal Solid Waste in covered container to the designated place at transfer station.
- Dry Municipal Solid Wastes like leaves; paper etc. shall not be burnt.
- The ground at the place where the vehicles stop for loading shall be cleaned and disinfected with an approved disinfectant.
- The Agency should ensure adequate safety for all manpower deployed including required insurance facility.
- The sanitation worker deployed by the service provider shall have to wear uniform/apron/PPE & Gumboot during working hours bearing the logo of Baripada Municipal Council which have to be approved by the employer. If found guilty in this processes the Agency will be penalized.
- Minimum First -Aid facilities to be provided to the sanitation labour.
- Bio-N=Matric attendance to be taken positively on daily basis and the attendance sheet to be submitted in every month along with the monthly bill. Without Bio-N=Matric attendance the bill will not be accepted.
- The service provider must be branded the different light commercial vehicles/Tricycle/Wheel Barrow and other equipments use for sanitation work with different IEC materials of Solid Waste Management and inscription of Baripada Municipality at his own cost as per the requirement and designed provided by the Municipality Authority.

The service provider in close consultation with the employer should work out a detail time schedule and should adhere to the same timing. A tentative time schedule/work schedule is indicated below.

Sl. No.	Activities	Time Schedule
1	Road Sweeping & Drain Cleaning	(Two Times) 6.00 AM to 11.00 AM 4.00 PM to 7.00 PM
2	House to House collection of MSW from various Households, Institutions, Shops and & transportation to MCC/MRFC/ Designated Landfill / Dumping site by LCV/BOV(Minimum 4 trip/day)	1 st Shift-6:00 AM to 11:00 AM 2 nd Shift-6:00 PM to 9.00 PM
3	MSW collected from secondary storage points to be Transported to MCC/MRFC/ Designated Landfill / Dumping site by Tractor (Minimum 4 trip/day)	6:00 AM to 12:00 noon 4:00 PM to 6.00 PM

- The Agency shall ensure the presence of his personnel every day at specified time
- The Agency should ensure same timing and same route as far as possible for Door-to-Door collection. However, the timing can be modified with prior approval of Municipality Authorities and adequate communication to the affected customers
- The Agency shall ensure operations on all seven days of the week.
- The performance monitoring and evaluation of service delivery has been institutionalized through Service Level Benchmarking and the purpose and objective of the assignment should be to improve and achieve the National Level Benchmark. With this target as well as the underlying constraints in mind the Agency has to achieve the following performance levels. The following penalties shall be imposed for any sub stander of working.

Parameter Description	Minimum Achievement Target	Actual monthly Achievement	Non compliance penalty
Door To Door Collection	100% Household level coverage (Door to Door)	$(HHS * D - THD) / (HHS * D)$ HHS - Total HH in service area D- Days in the month THD - Total HH covered during the month	0.5% of total monthly bill for every 5% short fall or part thereof, for 1 st month 1% of total monthly bill for every 5% short fall or part thereof, for 2 nd month 2.5% of total monthly bill for every 5% short fall or part thereof, for 3 rd month onwards
	Daily service	SD/TW SD - Sum of days of service in each ward TW - Total no. wards in service area	0.5 % of total monthly bill for every day of short fall or part thereof

Baripada Municipality**

OTHER TERMS AND CONDITIONS

1. The successful tenderer shall execute an agreement in non-judicial stamp paper of Rs.100/- and required no. of cartridge paper with the Municipality and to deposit the required amount of security deposit within seven days from the date of receipt of letter of acceptance from the Municipality. In case of failure to execute agreement or failure to deposit the performance security deposit in the stipulated time period the Municipality will be at liberty to reject the tender with forfeiture of earnest money deposit.
2. The EMD furnished by the unsuccessful tenderers will be returned back on application only after the finalization of the tender and execution of agreement with the successful tenderer.
3. The vehicles for transportation of solid wastes must be in good Running condition.
4. The drivers of the vehicles must have valid driving license.
5. The executing agency shall bear the cost of fuel, lubricants, repair and maintenance of the vehicle as well as salary and wages of the drivers and staff engaged in the vehicle.
6. The labour required for loading, unloading, collection and transportation etc. shall be provided by the executing agency.
7. The agency should be able to deploy as many vehicles as required to transport the entire solid wastes generated within Baripada Municipality area in a day so that the specified area should be thoroughly cleaned during a particular fixed time as may be decided by Municipality.
8. In case the agency does not comply to the instruction of Baripada Municipality, Municipality may engage any other agency for removal of such solid wastes which has not been collected by the executing agency and in such a case, the cost of collection and removal through the other agency shall be recovered from the bills of an original executing agency.
9. The transportation of garbage will be done with due care and the transporting vehicle shall be covered as per norms specified by the pollution control board.
10. The agency has to maintain a register clearly indicating numbers of trips made with vehicles number, time of loading and unloading of arrival and departure as per the direction of office-in-charge of municipality and register may be subject to verifications at any time by any authorized officer of the Municipality.
11. The bills shall be paid by the municipality on monthly basis as per agreement executed in between.
12. Municipality reserves the right to extend the period of contract if required with mutual consent of Tenderers after closing the contract period.
13. Municipality shall have the right to add /delete any condition to/from the agreement as and when required for smooth management for the sanitation service on mutual discussion.
14. The waste collectors engaged by the executants shall be collecting solid wastes from various households on daily basis on particular fixed timings area-wise as may be finalized by the executants in consultation with the officer-in-charge of the Municipality.

15. In case the work on a particular day during inspection by municipality by the officials is not found satisfactory, proportionate deduction in the payable bill of the agency will be made. The amount of the deduction will be decided by the Executive Office, Baripada Municipality or non-else.
16. The Agency shall furnish a detailed list of manpower (sweepers, drivers etc.) employed in the SWM operations after getting the work order. If there is any change of manpower details during the contract period, then the Agency shall update the Municipal Authority.
17. As per Prohibition of Employment as Manual Scavengers and their Rehabilitation Act, 2013, no person shall be involved in cleaning of drain or any other SWM operations without proper safety gears. Hence, the Agency shall be held fully responsible if he/she violates this Act. The Agency shall provide adequate personal protective equipment (PPE) to all its employees who are employed in SWM operations.
18. The officer- in charge from municipality shall indicate a particular timing during a day (preferable during the night time) when no solid wastes of any kind should be available in the area at the said time. The executing agency shall provide all necessary labour and other necessary T&P articles including safety devices for the health of the labourers engaged as may be required for the job and as per direction of officer-in -charge. In case of non compliance of above by the executing agency, municipality reserves the right to close the contract at any time within the specified period of contract with a simple 7(seven) days notice served to the agency by the Municipality.
19. The authority reserves the right to cancel one or all the tenders at any time and any stage without assigning any reason thereof.
20. In case of any dispute arising out of the contract, the matter shall be decided as per law inside the jurisdiction of Baripada.
